

CAMP FOOD ALLERGY EDUCATION AND TRAINING PROGRAM

Northeast Ohio Food Allergy Network and UH Rainbow Babies & Children's are pleased to offer a camp program on food allergy prevention and management.

To schedule a program, the camp director must commit to having camp staff present for a 45 minute presentation.

Email info@neofan.org if your camp is interested in participating.

Experts from Rainbow Babies & Children's will provide:

- Prevention and Management of Food Allergy Reactions in Camps
- Food Labeling/Cross Contact
- Lunch/Snack Guidelines
- Recognition and Treatment of Food Allergy Reaction/Anaphylaxis
- Epinephrine Demonstration
- Other topics included: Bus Transportation, Celebration Ideas, Field Trips, Bullying

Fee: \$100 (Additional donations appreciated to help cover expenses incurred)
